

Building Resiliency Together

May 4, 2018

Dear Mrs. Margaret A. Pollon,

On behalf of Federal, Provincial, and Territorial Senior Officials Responsible for Emergency Management (SOREM), we are pleased to inform you that you have been selected as a recipient of the inaugural Emergency Management Exemplary Service Award. Congratulations!

The Emergency Management Exemplary Service Award is a prestigious recognition for exceptional service and achievement across Canada to prevent, prepare for, respond to and recover from emergencies and disasters. As a partnership between provincial, territorial and federal governments, the award recognizes recipients who have achieved excellence in their respective fields. Across Canada, there are many deserving individuals and groups working on emergency management, such as community-based volunteers, people working in all levels of government in emergency management organizations, and Indigenous communities.

We are in the process of organizing an awards ceremony in Ottawa on May 24, 2018, with Federal/Provincial/Territorial Ministers responsible for Emergency Management. We would be honoured to have you join us to receive your award in person.

Please see the email accompanying this letter for further details and required information. Officials from Public Safety Canada will be contacting you in the coming days to go over this information and to confirm your attendance.

Again, congratulations on this prestigious recognition!

Sincerely,

Patrick Tanguy
